

This is an exciting time for me, and I want to share it with you. I've created this Calendar/Journal for 2012. Besides the Calendar pages by the week, with each New Moon and Full Moon there is a page with the sign/symbols and overview for your guidance. On the next page is a journal page. Here you will be able to record your intentions and affirmations for each New Moon and Full Moon sign. On the backside of this flyer is an order form. To order this product, you can go to www.NancyMillerOgren.com, where you may use PayPal, or you can send the orders directly to me at: *Nancy Ogren, 1705 Deweese St, Ft. Collins, CO, 80526*. You can make checks payable to: *Nancy Ogren*.

You can also email me at: NancyOgren@comcast.net with any questions you may have. Hope to hear from you soon! (970) 226-3381

CANCER ☾ FULL MOON

Element: Cardinal/Water

Purpose: Achieving Self-hood

Sensitivity	{ Cancer } { Moon/Sun } { Qualities }	Personal Security
Connectedness		Compassion
Soul's Light		Nurturing

☾ Symbol: The Nurturer

☾ Transpersonal: The Universal Mother

All heavenly bodies are moving in a forward motion, offering us a sense of flow with this Full Moon. Mars in Virgo, an Earth sign, is positively aspected to both the Sun in Capricorn, also an Earth sign, and this Full Moon in the water sign of Cancer, helping to soften the actions and words being used to move us in a forward and substantial direction.

Jupiter, newly direct in Taurus, the third earth sign, after having been in retrograde since last August, is also positively aspecting Mercury and Pluto, both in Capricorn, altogether asking for clarity and direction as we move forward in our new concepts around security, stability and expanded prosperity.

Chiron in Pisces is conjunct (next to) both Venus and Neptune, in Aquarius. The asteroid Pallas is also conjunct Chiron in Pisces, so all of these energies are combining to assist you in allowing and aligning with a sense of the kindness and understanding of the many levels of support available to you in your life.

In Greek legend, the she-goat goddess Amaltheia nourished Zeus as an infant. Later Zeus broke off one of her horns, which became the cornucopia, providing sustenance for all the earth's creatures. Amaltheia will nurture you in any endeavor you are seeking to achieve. Just trust in her support and continuing guidance.
